

## Online course on Pretargeting Approaches and Radiobiology

	Speaker	min
<b>Session I - Scientific background on pretargeting strategy</b>		
The basics of pretargeting	Johanna Steen	30
<b>Session II - Pretargeting methods</b>		
Pretargeting with Tz-TCO system	Hannes Mikula	30
Pretargeting with other systems	Sara Cheal	30
<b>Coffee Break</b>		15
<b>Session III - Preclinical applications on pretargeting</b>		
Pretargeted PET/SPECT imaging - Oncology applications	Filipe Elvas	30
Pretargeted PET/SPECT imaging - Neuroscience applications	Matthias Herth	30
Pretargeted therapy	Brian Zeglis	30
