

Nuclear Medicine in FUO/IUO: Why Are Children Different?

ESMIT

Facilitators: Sandra Trapani
Chiara Giraudo
Pietro Zucchetto

Session I			min
09:00 - 09:30	Introduction of the Speaker and the Participants		30
09:30 - 09:45	Evaluation Quiz/Assessment of Starting Knowledge		15
09:45 - 10:15	Clinical setting. FUO/IUO in children part 1 INFECTION		30
10:15 - 10:30	Coffee Break		15
Session II -			
10:30 - 11:00	Clinical setting. FUO/IUO in children part 2 INFLAMMATION		30
11:00 - 11:45	Interactive session MCQ & Discussion		45
11:45 - 12:30	Lunch Break		45
Session III -			
12:30 - 12:50	Radiology in paediatrics infection and inflammation		20
12:50 - 13:10	From NM techniques to integrated imaging		20
13:10 - 13:40	Clinical applications 1 FUO/Infection		30
13:40 - 14:10	Case Reading session		30
14:10 - 14:40	Case discussion		30
14:40 - 14:50	Coffee Break		10
Session IV -			
14:50 - 15:10	Clinical applications 2 Inflammation		20
15:10 - 15:40	Case Reading session		30
15:40 - 16:00	Clinical applications 3 Complex cases		20
16:00 - 16:30	Group discussion		30
16:30 - 17:00	Wrap Up		30
17:00	End of Day 1		
Day 2			
Session V -			
09:00 - 09:30	Pitfalls		30
09:30 - 10:00	Case Reading session		30
10:00 - 10:15	Coffee Break		15
10:15 - 10:45	Are children really different?		30
10:45 - 11:15	Case Reading session		30
11:15 - 12:30	Case discussion		45
12:30 - 13:00	Back to the future (again): technical evolution and clinical practice		30
13:00 - 13:30	Wrap up and final remarks		30
13:30	End of the Course
